

Thank you

Thank you for your kindness, generosity, beautiful smiles;
taking the time to communicate in English.
You all are a blessing to those in dive straits (need).
I give thanks for your service, talent and wisdom.

Everyone has a gift to the world and I see your gifts...
I appreciate your dedication and God bless.
You were my lifeline while at La Maison L'Esther.

Love

P.S.: My little girl says XXOO ! Merci.
